

Getting to Tiba by car

Visitor Parking

Our visitor parking, marked by our Tiba logo, is situated left hand side to the underground parking. In case both parking lots are occupied, we will happily provide you with a coded ticket for the underground parking where you will find Tiba parking lots on both the first and the second level. Furthermore, you have the opportunity to make use of the commercial underground parking of the "Hit" supermarket in Elsenheimerstr. 45 (please follow the signs).
